MEMO.

Dated Jogalur, 19*th May* 1898.

ngements for watching the frontier of the Chitaldrug district against the plague are ccompanying statement.

inspecting staff consists of one Inspector and three Jamadars.

li, where the plague now prevails, being only 80 miles from the Harihar sub-taluk, a very ing of the frontier in the Harihar and Davangere taluks, and a constant supervision of tablishment there are found necessary.

refore the following arrangements are made for the supervision of the frontier work :—

(a) Jamadar's range will extend from Harihar town to the Shimoga frontier, a distance of 27 miles. He will have head-quarters at Nandigudi.

(b) 2nd Jamadar's range will extend from Harihar town to Anaji, a distance of 37 miles with head-quarters at Kondajji.

(c) 3rd Jamadar will remain at Harihar and look after the work at the Railway Station and the observation sheds.

(d) Inspector Mr. Everard will, until further orders, constantly itinerate on the frontier of the Harihar and Davangere taluks, and supervise the work of the Jamadars.

(*e*) The Inspector will be allowed one orderly and one writer.

(*f*) The Jamadars in charge of the Ukkads should inspect each of them invariably every other day.

(*g*) The Jamadars will submit their diaries daily to the Inspector, who will forward them to the District Police Office.

(*h*) The frontier establishment in the Jagalur, Challakere and Molakalmuru taluks will be for the time being constantly supervised by the Inspectors and Jamadars of the respective taluks.

(*i*) The road frontier stations at Tammenahalli, Molakalmuru and Gadimakunte should be inspected at least once a week, and the other frontier establishments at least twice a month by either the Inspector or Jamadar of the respective taluks.

Statement showing the arrangements made for watching the frontier of the district against plague.
